Industry news - Interviews with top management

24 ICN.COM - The Industry Channel Network presents breaking news on the industry world wide 24 hours a day. Our interviews with top management in the industry give the temperature of the market situation, technological challenges, projects, trends, finance and more.

Our headoffice is located in Bergen Norway and our industry newsportal has been operational since 2001. Our offices and representatives throughout Europe keep close attention to the industry and the news picture.

To familiarize yourself with us, please revert to the desired country by using the menu on your left hand side. Enjoy !

Best regards from the content team at 24ICN.COM - The Industry Channel Network

PS ! If you would like to work with us at 24 ICN.COM, please forward a request to email: info@24icn.com

.... and of course, please give us a tip if you know of any industry or company that deserve special mention - Thank you !
